Fabrics: Wash with a mild solution of soap and water, remove excess moisture with a dry towel after rinsing and allow to dry. Do not use a washer or dryer. Do not submerge or allow cushions to lie in standing water.

Certain suntan and sun block products contain "PABA". PABA can be harmful to fabrics and can permanently discolour your cushions. If contact is made, clean the fabric immediately.

Tissu: Lavez à l'aide d'un doux mélange d'eau et de savon, après le rinçage, retirez l'excédent d'eau avec une serviette sèche et, ensuite, laissez sécher; n'utilisez pas la laveuse ou le sèche-linge; ne plongez pas les coussins dans l'eau ou ne les laissez pas tremper dans une eau stagnante.

Certains écrans solaires ou substances antisolaires contiennent de l'acide 4-aminobenzoïque (PABA). Le PABA peut endommager les tissus et décolorer vos coussins de façon permanente. Advenant un contact, nettoyez immédiatement le tissu.
